

# Indoor Dome Camera

## IV-DFH7100

### Features:

- . 700TVL
- . 1/4 CMOS Sensor MT9V139+FH8510
- . 2.5" dome camera
- . Metal case
- . Lens:3.6mm
- . 24pcs LED with IR distance 60ft
- . Color: Gray & White

| SPECIFICATION         | IV-DFH7100                                    |
|-----------------------|---|
| Horizontal Resolution | 700TVL  |
| Signal System         | PAL/NTSC                                      |
| Pixels                | PAL:752H X 582V                               |
|                       | NTSC:768H X 494V                              |
| Lens                  | 3.6mm lens                                    |
| Electronic Shutter    | 1/50(1/60)-1/100,000sec                       |
| Min.Illumination      | Color (0.1Lux), Black and White (0Lux LED on) |
| LED                   | 24pcs   |
| IR distance           | 60ft  |
| BLC                   | Auto  |
| AGC                   | Auto  |
| White Balance         | Auto  |
| LED Auto Switch       | Night/Day, ON/OFF                             |
| Water Resistance      | IP65  |
| Video Output          | VBC: 1.0Vp-p;75Ω BNC                          |
| Operation Temperature | -4°~140°F (-20°C to +60°C)                    |
| Power Supply          | DC 12V  |
| Dimensions            | 2.87" x 3.7" (73 (H) * 94 (D) mm)             |
