

DASH

FLOODER

Wi-Fi Video Floodlight Camera

The Dash Flooder camera delivers 1080P/2MP live video monitoring and playback from any mobile device, recorder or automation system. Protect your home with a motion-activated HD camera and built-in bright LED floodlights. Stay notified with realtime active notifications and two way communication. Deter unwanted strangers with the 110dB remotely controlled siren. Setup is simple. Replace any existing wired floodlight with Flooder's easy app based setup and robust Wi-Fi . From dusk to dawn, Flooder has you covered.

1080P FHD Video
HD Video 2MP, 1080P

Active Deterrence
Deter unwanted strangers with the built in 110dB siren

Multiple Lighting modes
Manual, dusk to dawn and motion-activated
