

## Full-Speed USB-C to DB25 Parallel Printer Converter

USB-C Male to DB25 Female, 1 m (3 ft.), Black

Part No.: [152518](#)

EAN-13: 0766623152518 | UPC: 766623152518

### Easily connect USB-C equipped computers with DB25 parallel peripherals.

The Manhattan Full-Speed USB-C to DB25 Parallel Printer Converter with bi-directional data transfer easily supports USB-to-parallel and parallel-to-USB communication. It is ideal for connecting USB-C equipped desktop or notebook computers to a parallel printer or for adding a DB25 female port. The converter delivers faster data transfer rates than a standard parallel port.

### Meets USB Standards

The Manhattan Full-Speed USB-C to DB25 Parallel Printer Converter is fully compliant with USB 1.1 specifications to help devices operate at maximum performance. Bus support and low power requirements permit its convenient and reliable use almost anywhere without the need for external power supplies.

### Quick and Easy Installation

Plug and Play capability and Windows compatibility help the Manhattan Full-Speed USB-C to DB25 Parallel Printer Converter to function on any USB-equipped computer or device. It installs as a Virtual USB Printer Port, and the need for any further configuration is eliminated.

### Features:
