Cat6 Keystone Jack
UTP, Ivory, Punch-down
Part No.: 210607

EAN-13: 0766623210607 | UPC: 766623210607

The Intellinet Solutions Cat6 Keystone Jack provides ultimate performance at a competitive price. Whether for use in a home-network installation or in a large, data-hungry data center, this keystone jack meets or exceeds industry standards so you can be confident your network connections will last. The Intellinet Solutions Cat6 Keystone Jack makes an excellent fit in your current setup. With a wide range of colors to choose from in the 568-A and 568-B code range, matching our jack to your color scheme is easy. And because it is constructed in the 8-Position 8-Conductor (8P8C) format, you can use the same 110 Punch Down tool to wire this jack and quickly jump to a wiring task in your patch panel.
