

## VGA Monitor Cable

HD15M to HD15M, 1.8 m (6 ft.)

Part No.: [300735](#)

EAN-13: 0766623300735 | UPC: 766623300735

Reliable connections for superior signal quality.

Manhattan VGA Cables easily connect a monitor with a desktop or notebook computer. Ideal for use with video splitters, KVM switches and any HD15-equipped display, computer or device, Manhattan VGA Cables are engineered and constructed of quality materials to deliver dependable transmissions in video applications. Full foil shielding, molded boots with strain relief and mini-coax (RGB) with paired-video-wire construction help provide maximum conductivity and clear, crisp images with reduced EMI interference and distortion over extended distances.

### Features:

- HD15 male to HD15 male
- Connects VGA source to VGA display
