## Stop/Start Override Interface

### GM Select Models 2016-2019

Visit [AxxessInterfaces.com](http://AxxessInterfaces.com) for more detailed information about the product and up-to-date vehicle specific applications.

### INTRODUCTION

The AXSSO-GM is designed to disengage the STOP/START feature of the vehicle, and keep that feature disengaged even after the key has been cycled. The AXSSO-GM will work with either an aftermarket or a factory radio. Simple 2-wire installation (ground and power to the battery) is all that is required to install the interface in the vehicle. No programming required!

### INTERFACE COMPONENTS

- AXSSO-GM interface
- LD-GM1-SSO harness
- LD-GM2-SSO harness

### APPLICATIONS
