Premium Active LOC (Line Output Converter)

Metra Electronics has launched a full series of **High-Voltage Active Line Output Converters** under its **Axxess** brand name, enabling installers to add aftermarket amplifiers to OEM source units and make your factory system sound great! This premium line showcases Axxess' advanced technology, by featuring incredible input power capabilities, load selector, clip indicator, enhanced output controls, and noise isolation countermeasures. Want to add an external Bass knob? The **Axxess AX-RM1** will directly plug into select PRO LOCs and offer that additional Subwoofer level adjustment customers are looking for. (**AX-RM1** sold separately)
