TURN SIGNAL AND DRL SIDE LIGHTS

SALES 386-257-2956

PRODUCT OVERVIEW

Add integrated turn signal and daytime running lights to the side of the factory headlight on 2015-2020 Harley-Davidson® Road Glide motorcycles. White and amber LEDs with black ABS housing add a modern look that is both stylish and functional. Wiring is plug-n-play for easy installation with both left and right side lights included in the set.

Fits Harley-Davidson® Road Glide 2015-2020

- Mounts to factory locations around the headlight
- Integrated t-harnesses for plug-n-play wiring
- 6000K DRL and 3000K turn signals
- (31) 0.2-watt white LEDs and (31) 0.2-watt amber LEDs
- Black ABS housing with a polycarbonate lens
