

MTL SBXL Sound Bar Adapter XL

Product Description:

The MantelMount SBXL Sound Bar Adapter accommodates more soundbars than the bracket that comes standard with the MM540, MM700, MM750 and MM855(coming soon) in that its compatible with wider and taller soundbars. It also accommodates those mounting their sound bar ABOVE the TV, where as the sound bar attachment included with the MM540, MM700 and MM750 only allows for sound bar placement beneath the TV. The MantelMount SBXL consists of two universal soundbar brackets that fit nearly all flat panel TVs and soundbar models.

Features:

- Two universal soundbar brackets compatible with most flat and curved screen TVs
- It can accommodate soundbars that are **larger than 29" wide and 5" tall**
- Accommodates sound bar placement below OR above the TV.
- Maximum load of 20 pounds.
- A second person will be required to assist with installation.
- The SBXL can be mounted either above or below the television.

NOTE: If you have or are ordering the MM340 Standard Mount, this is a terrific accessory choice as the MM340 does not include any sound bar attachment like our other mounts.

NOTE: If you have or are ordering the MM540 Enhanced Mount, or the MM700/750 Pro Mounts, you would only need this accessory if your sound bar is either wider than 29" or more than 5" tall OR if you want to mount your sound bar ABOVE your television.

NOTE: If mounting the SBXL underneath the bottom of the television, the SBXL mounting holes must be a minimum of 2.5" from the bottom of the soundbar or else you may have to forego installing the MantelMount pull down handle.
