

MTL WPC00 Wall Plate Covers

Product Description:

Used in conjunction with the MM340 Standard Mount, these MantelMount paintable covers hide the wall surface mounting hardware associated with the mounts wall plates.

Features:

- (2) hard covers - paintable to match your wall color
- Adjustable to accommodate a wall plate mounted off center
- Easily cut to run wiring through
- Dimensions: 34"W x 12"H

Note: Two covers are included with all MM540 Enhanced Mount and MM700 Pro Mount orders. Covers are not included with the MM340 Standard Mount. Order this SKU as an add-on accessory for your MM340 mount or as a replacement for your included MM540 covers.(these do not the MM700). Also be aware these covers only conceal the wall plate, not the mount arm.
