

Pioneer

TS-ME650FC 6-1/2" Marine 2 Way Speaker with 250 Watts Max and Classic Grille Design

- 75 Watts Nominal Power
- IPX7 Rated
- Rated ASTM D4329 for UV Exposure
- Mica reinforced IMPP Monocoque Cone
- Classic White Grille

ME-Series Speakers

Pioneer ME-series speakers are protected from the effects of sun and water exposure, meeting both IPX7 and ASTM D4329 certification to achieve all-weather reliability. Mica Reinforced IMPP monocoque cone with butyl rubber surround, constructed using an advanced in-mold bonding technique for superior water resistance while maintaining high quality, powerful sound. The symmetrical motor design with high strength suspension is optimized to provide stability, linearity and clear, low distortion sound reproduction. Lightweight polyimide (PI) tweeter diaphragm and uniquely shaped wave guide provides natural and clear vocals with wide dispersion. The TS-ME650FC comes with two sleek modern grilles, one in black and the other in a white finish that cosmetically integrate seamlessly into marine interiors and cabin designs.

- Lightweight PI tweeter diaphragm and uniquely shaped wave guide provides natural and clear vocals with wide dispersion
- Detachable tweeter allows to interchange grille (White or Black).

- Shallow grille design
- Mica reinforced IMPP monocoque cone is a seamless cone that can transmit sound vibration directly and completely protects against water
- Optimized symmetrical motor design provides linearity and clear, low distortion sound reproduction

Optional UD-ME650LED RGB LED Light Kit

Add illumination to the woofer cone for an enhanced personalization and cosmetic integration with the IPX7-rated UD-ME650LED RGB LED light kit (Sold Separately).

RGB LED KIT

ME-Series Speakers

The Pioneer Marine series now has a variety of choices to meet the open water starting with Pioneer digital receivers, speakers, subwoofers, amplifiers and accessory kits. Visit www.pioneerelectronics.com for more information about our other products we offer to make your water experience delightful.

⚠ WARNING: Over time, your hearing "comfort level" adapts to higher volumes of sound, so that what sounds "normal" can actually be doing harm. To protect against hearing loss, set your equipment's volume at a low setting, slowly increase it until you can hear it comfortably and clearly, and leave it there. Do not turn up the volume so high that you can't hear what's around you.

This device is rated IPX7 using the Ingress Protection rating system. The device has been tested in a controlled environment and shown to be water resistant in certain circumstances and meets the requirements of the classification IPX7 as described by the international standard IEC 60529 - Degrees of Protection provided by Enclosures [IP Code]. Despite this classification, the device is not resistant to water damage in every situation.

Information provided for reference only and does not imply guaranteed compatibility with each model year of the vehicles shown. Consult your Authorized Pioneer Dealer to confirm vehicle compatibility.

Protect your investment. Purchase from an Authorized Pioneer Dealer. Only products purchased from an Authorized Pioneer Dealer (or Authorized Pioneer Internet Dealer) qualify for the manufacturer's warranty and manufacturer's rebates.
