

Medium Full Motion RVM-44FM60

The Rapid Video Mounts Medium Full Motion Mount is a low profile wall mount for panels up to 55" and up to 60 lbs. The Medium Full Motion Mount has been designed for quick, easy, and accurate installation (all necessary hardware included).

This mount allows you to have your flat panel TV either flat against the wall (2.65" low profile), tilted down for glare control or optimum viewing angle, or pulled out from the wall (16.2" extension) and angled towards a separate viewing area. With cable management on the arm supports and post installation leveling feature your TV will be mounted right the first time.
