

Medium Full Motion RVM-44FM70D

The Rapid Video Mounts Medium Full Motion Double-Stud Mount is a low profile wall mount for panels up to 55" and up to 70 lbs. It is ideal for customers looking for the added security of 2-stud mounting. The Medium Full Motion Double-Stud Mount has been designed for quick, easy, and accurate installation (all necessary hardware included).

This mount allows you to have your flat panel TV either flat against the wall (2.60" low profile), tilted down for glare control or optimum viewing angle, or pulled out from the wall (21.0" extension) and angled towards a separate viewing area. With cable management, 3-way tensioning handles, and post-installation leveling, your TV will be mounted right the first time.

Capacity: 70lbs, panels 32" - 55"

Tilts: -3° to 10°

Extends: 21.0"

VESA Pattern: 400 x 400

Low Profile: 2.60"
