

## Large Full Motion RVM-64FM125

The Rapid Video Mounts Large Full Motion Mount is a low profile wall mount for panels up to 65" and up to 125 lbs. The Large Full Motion Mount has been designed for quick, easy, and accurate installation (all necessary hardware included).

This mount allows you to have your flat panel TV either flat against the wall (2.65" low profile), tilted down for glare control or optimum viewing angle, or pulled out from the wall (21" extension) and angled towards a separate viewing area. With cable management on both arm supports and post installation leveling feature your TV will be mounted right the first time.
