

# SONANCE OUTDOOR ROCK SPEAKERS

## Features:

Rock-like appearance blends in with outdoor environments.

Weather-resistant polypropylene woofer cones with Santoprene® surrounds deliver strong bass.

Internal wire connections help prevent moisture from damaging connections.

# SONANCE OUTDOOR ROCK SPEAKERS

## RK83 and RK63 ROCK SPEAKERS

The **RK83** and **RK63** are weather-resistant outdoor speakers for enthusiasts who want to listen to audio in their outdoor areas with speakers that blend in with the environment. With their rock-like appearance, choice of finishes, and resistance to weather, the **RK83** and **RK63** outdoor speakers are ideal for background listening in the garden, by the pool, in the yard or patio space.

**Features:** Durable construction • Built with UV-, chip-, and weather-resistant materials to withstand demanding outdoor environments • Rock-like appearance and finish blends-in with outdoor environments • Clean articulate sound • Higher performance than typical outdoor speakers • Weather-resistant woofer cones with Santoprene surrounds deliver warm bass • Internal wire connections help prevent moisture from damaging connections • Available in granite and brown finish.
