

## Epicureanist Wall-Mounted Horizontal Display Rack (3 Bottle Deep)

### EP-3D HZRACK

Put your best bottles on display with the Wall-Mounted Horizontal Display Rack. This metal wine rack easily attaches to your wall for a stylish space-saving wine storage solution. The stainless steel rack holds nine standard size wine bottles. The horizontal design allows for label-forward racking. An excellent wine storage solution for any space, you can line up one rack set over another to increase bottle capacity and create a modular, custom display.
